## Screenplay

EXT. MORNING - AN OLD COLONY. SCARY

The overall feel of the scene is scary. There are very less people living in the colony. A new TENANT is entering the house and is at the gate of the house. There are two NEIGHBOUR's in the background talking to each other looking at the tenant.

NEIGHBOUR 1:  
He's the new tenant?

NEIGHBOUR 2:  
(Sarcastically)  
Yes! But not for long!

The new TENANT opens the gate of the house moves towards the door of the house opens the door while listening to the conversation of the NEIGHBOURS. The TENANT is very curious about what the conversation of the NEIGHBOURS but does not show it. He pretends that he is not listening while going into the house.
